MYTRACKSTAR

MANAGE YOUR ACCOUNT

Change your emergency contacts, request certificates, manage your renewals, pair Driver Recognition Tags and more!

SET GEOFENCES

Keep track of your cars movements by settings Geofences to receive alerts when your vehicle is moved to a different location

MANAGE ALARMS

With the My Trackstar app you can cancel your own alarms without the need to speak to a human and even report theft!

VIEW PAST JOURNEYS

Replay your past journeys using the My Trackstar app, showing where your car was at any given time and its average speed
